1 I, Mario N. Alioto, declare:

2 1. I am an attorney duly licensed by the State of California and am admitted to
3 practice before this Court. I am a partner of the law firm Trump, Alioto, Trump & Prescott, LLP
4 and my firm serves as attorney of record in the above-captioned action for plaintiff Jeffrey
5 Figone ("Plaintiff"). The matters set forth herein are with my personal knowledge and, if called
6 upon and sworn as a witness I could competently testify regarding them.

7 2. This litigation arises from an alleged conspiracy by defendants LG Electronics,
8 Inc.; Samsung Electronics Co., Ltd.; Samsung SDI Co., Ltd.; Samsung Electronics America, Inc.;
9 Samsung SDI America, Inc.; Samtel Color Ltd.; Toshiba Corporation; Toshiba America
10 Electronic Components, Inc.; Toshiba America Information Systems, Inc.; Matsushita Toshiba
11 Picture Display Co., Ltd.; MT Picture Display Corporation of America (New York); MT Picture
12 Display Corporation of America (Ohio); Matsushita Electric Industrial Co., Ltd.; Panasonic
13 Corporation of North America; Beijing-Matsushita Color CRT Company, Ltd.; Orion Electric
14 Co., Ltd.; Orion America, Inc.; Hitachi, Ltd.; Hitachi America, Ltd.; Hitachi Asia, Ltd.;
15 Chungwha Picture Tubes, Ltd.; Chungwha Picture Tubes (Malaysia Sdn. Bhd.; LP Displays
16 International, Ltd.; Koninklijke Philips Electronics N.V.; Philips Electronics North America;
17 Irico Group Corp.; Irico Display Devices Co., Ltd.; Thai CRT Company, Ltd.; and Tatung
18 Company of North America, Inc. ("Defendants") to fix, raise, maintain or stabilize the prices of
19 products containing Cathode Ray Tubes ("CRT Products") sold in the United States.

20 3. On November 8, 2007, antitrust authorities in Europe, Japan and South Korea
21 raided the offices of several of the Defendants as part of an international investigation of alleged
22 price fixing in the CRT Products industry.

23 4. Beginning on November 26, 2007, class actions alleging violations of the federal
24 antitrust laws by Defendants were filed in this judicial district and others on behalf of direct and
25 indirect purchasers of Defendants' CRT Products.

**DECLARATION OF MARIO N. ALIOTO IN SUPPORT OF PLAINTIFF JEFFREY FIGONE'S MOTION
FOR APPOINTMENT OF INTERIM LEAD COUNSEL FOR THE INDIRECT PURCHASER CLASS
MDL NO. 1917**

1 5. Plaintiff filed a class action complaint in this Court¹ on behalf of a class of all
2 individuals and entities that indirectly purchased CRT Products in the United States from
3 Defendants, their predecessors, or their controlled subsidiaries and affiliates during the period
4 beginning at least January 1, 1995 through the filing of the Complaint. Plaintiff alleges that
5 Defendants' cartel and conspiracy is in violation of Section 1 of the Sherman Act, 15 U.S.C. § 1,
6 as well as various state antitrust and consumer protection statutes.

7 6. Twelve other similar cases have been filed in the Northern District of California
8 against Defendants.

9 7. On January 16, 2008, this Court entered an order relating Plaintiff's case and six
10 other similar cases to the low-numbered case, *Crago, Inc. v. Chungwha Picture Tubes, Ltd., et al.*, 3:07-cv-5944 SC ("Crago").²

12 8. Plaintiff is aware of at least fifteen additional similar cases which have been filed
13 in various other judicial districts.

14 9. On November 29, 2007, plaintiff Crago, Inc. filed a Motion for Transfer and
15 Consolidation of Related Actions to the Northern District of California Pursuant to 28 U.S.C. §
16 1407.

17 10. On February 15, 2008, the Judicial Panel on Multidistrict Litigation ("JPML")
18 transferred the *CRT Cases* to this Court for coordinated or consolidated pretrial proceedings
19 pursuant to 28 U.S.C. § 1407. The JPML found that the Northern District of California was an
20 appropriate transferee forum for this litigation because (1) there were already thirteen actions
21 pending there; and (2) some defendants and some plaintiffs supported centralization here.

22 _____
23 ¹ *Figone v. LG Electronics, Inc., et al.*, Case No. 3:07-cv-6331 SC, filed December 13, 2007.

24 ² The January 16, 2008 Order related the following actions to the *Crago* action: *Nathan*
25 *Muchnick, Inc. v. Chungwha Picture Tubes Ltd., et al.*, 3:07-cv-5981 SC; *Juetten, et al. v.*
26 *Chungwha Picture Tubes, Ltd., et al.*, 3:07-cv-6225 JL; *Hawel v. Chungwha Picture Tubes, Ltd., et al.*, 3:07-cv-
27 6279 EMC; *Caldwell v. Matsushita Electric Industrial Co., Ltd., et al.*, 3:07-cv-6303 SC; *Arts TV & Appliance v. Chungwha Picture Tubes, Ltd., et al.*, 3:07-cv-6416 JCS; and,
28 *Monikraft, Inc. v. Chungwha Picture Tubes, Ltd., et al.*, 3:07-cv-6433 SC. This Court has entered
several other orders relating the other similar actions filed in this District to the *Crago* action.

1 11. The JPML Transfer Order states that this litigation consists of a lead case filed in
2 the Northern District of California and a lead case filed in the Southern District of New York, as
3 well as 26 potentially-related “tag-along” actions.

4 12. TATP has over 30 years of experience in prosecuting multidistrict litigation and
5 class actions in state and federal courts throughout the country. Since its founding, TATP has
6 specialized in representing plaintiffs in antitrust class actions including allegations of price-
7 fixing, monopolization, predatory pricing and group boycott under the Sherman Act, the Clayton
8 Act, the California Cartwright Act and Unfair Competition Law, as well as numerous antitrust
9 and consumer protection statutes of other States.

10 13. TATP was recently appointed to serve as Co-Lead Counsel along with three other
11 firms in *In re OSB Antitrust Litigation*, Case No. 06-cv-00826 (PSD) (E.D. Pa.).

12 14. The *OSB* litigation is the first antitrust class action following the enactment of the
13 Class Action Fairness Act of 2005 (“CAFA”) in which the plaintiffs have won certification of an
14 indirect purchaser³ class in federal court for various States under those various States’ antitrust
15 and consumer protection laws.

16 15. In granting class certification and appointing TATP Co-Lead Counsel for the class
17 in the indirect purchaser case, the Honorable Paul S. Diamond of the Eastern District of
18 Pennsylvania stated that TATP “are experienced, class action litigators” and “have vigorously
19 and capably prosecuted this extremely demanding case, and I am satisfied that they will continue
20 to do so.”

21 16. TATP’s attorneys have litigated antitrust cases in several industries including high
22 technology (memory chips, microprocessors), rubber products (EPDM, Polychloroprene, NBR),
23 food additives (MSG, HFCS), and consumer goods (flat screen TVs, OSB).

24 _____
25 ³ Claims for antitrust violations on behalf of indirect purchasers are barred under federal law
26 under the United States Supreme Court’s decision in *Illinois Brick v. Illinois*, 431 U.S. 720
27 (1977). Before CAFA, indirect purchaser claims were litigated almost exclusively in state court.
Now, for all practical purposes, indirect purchaser claims must be litigated in federal court in
conjunction with direct purchaser claims brought under Section 1 of the Sherman Act.

1 17. TATP has been involved in other MDL litigation involving markets and goods
 2 similar to CRT Products. *See, In re Dynamic Random Access Memory (DRAM) Antitrust*
 3 *Litigation*, (N.D. Cal. Case No. 02-1486 (PJH), MDL No. 1486) (indirect purchaser antitrust
 4 class action involving price-fixing of DRAM memory chips); *In re TFT-LCD (Flat Panel)*
 5 *Antitrust Litigation*, (N.D. Cal. Case No. 07-1827 (SI), MDL No. 1827) (indirect purchaser
 6 antitrust class action involving price fixing of LCD or flat panel TVs); *In re SRAM Antitrust*
 7 *Litigation* (N.D. Cal. Case No. 07-1819 (CW), MDL No. 1819) (indirect purchaser antitrust class
 8 action involving price fixing of SRAM memory chips); *In re Graphics Processing Units Antitrust*
 9 *Litigation* (N.D. Cal. Case No. 07-1826 (WHA), MDL No. 1826) (direct purchaser antitrust class
 10 action involving price fixing of computer Graphics Cards); *In re Flash Memory Antitrust*
 11 *Litigation* (N.D. Cal. Case No. 07-00086 (SBA), MDL No. 1852) (direct purchaser class action
 12 involving price fixing of Flash memory).

13 18. I am one of the founding partners of TATP. I will lead TATP in its prosecution of
 14 this litigation. I have 34 years of practice in this area and have handled approximately 50 antitrust
 15 cases. I have served in leadership roles in most of these cases and have been Lead or Liaison
 16 Counsel in many of them. I have handled these cases both in collaboration with other law firms
 17 when circumstances warranted this, and also without the assistance of a consortium of other law
 18 firms. I have been involved in a number of jury trials in state and federal court and have tried 2
 19 antitrust cases to jury verdict as the lead lawyer. I have handled approximately 30 appeals as
 20 well. Most recently, I obtained relief of approximately \$50 million for California consumers on
 21 account of improper automobile repossession practices by two large finance companies. This
 22 result was obtained primarily by TATP, with the assistance of one other firm. In approving the
 23 settlement in that matter, the Honorable Daniel M. Hanlon (Ret.) noted that TATP had handled
 24 the litigation “effectively and efficiently” and that counsel was “experienced and competent” and
 25 had obtained an “excellent settlement.”

26 19. TATP has already put in substantial work towards identifying and investigating
 27 potential claims in this action. TATP has investigated the facts alleged in Plaintiffs’ complaints,

1 including what led to the initiation of investigations of manufacturers of CRT Products, and is
2 continuing to research and develop the claims at issue in this action.

3 20. TATP is prepared to devote significant human and financial resources to
4 representing the interests of the proposed class.

5 21. TATP has substantial experience practicing before the Northern District and is
6 familiar with its rules and practices.

7 22. TATP has previously worked collegially with most of the firms representing
8 plaintiffs in this litigation. TATP has also worked professionally with the firms representing the
9 Defendants to streamline and resolve other complex cases.

10 23. Attached hereto as Exhibit 1 is a true and correct copy of the JPML Transfer
11 Order.

12 24. Attached hereto as Exhibit 2 is a true and correct copy of my *curriculum vitae*.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct. Executed this 23rd day of February, 2008 at San Francisco, California.

/s/ Mario N. Alioto

MULTIDISTRICT LITIGATION

Feb 15, 2008

FILED
CLERK'S OFFICE

**IN RE: CATHODE RAY TUBE (CRT)
ANTITRUST LITIGATION**

Crago, Inc. v. Chunghwa Picture Tubes, Ltd., et al.,)	
N.D. California, C.A. No. 3:07-5944)	MDL No. 1917
Andrew Kindt v. Matsushita Electric Industrial Co.,)	
Ltd., et al., S.D. New York, C.A. No. 1:07-10322)	

TRANSFER ORDER

Before the entire Panel: Plaintiff in the Northern District of California action has moved, pursuant to 28 U.S.C. § 1407, for coordinated or consolidated pretrial proceedings of this litigation in the Northern District of California. All responding parties agree that centralization is appropriate and variously support one or more of the following suggested transferee districts: the Northern District of California, the District of Minnesota, the District of New Jersey, the Southern District of New York, and the District of South Carolina.

This litigation currently consists of two actions pending in two districts, one action each in the Northern District of California and the Southern District of New York.¹

On the basis of the papers filed and hearing session held, we find that these actions involve common questions of fact, and that centralization under Section 1407 in the Northern District of California will serve the convenience of the parties and witnesses and promote the just and efficient conduct of this litigation. These actions share factual questions relating to allegations that defendants—manufacturers of cathode ray tubes (CRTs) and products containing CRTs—conspired to fix prices of CRT products in violation of the Sherman Antitrust Act. Centralization under Section 1407 will eliminate duplicative discovery; prevent inconsistent pretrial rulings, especially with respect to class certification; and conserve the resources of the parties, their counsel and the judiciary.

We are persuaded that the Northern District of California is an appropriate transferee forum for this litigation. One of the two actions before us and twelve potential tag-along actions are

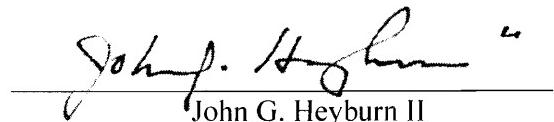

¹ The Panel has been notified that 26 other related actions have been filed as follows: twelve actions in the Northern District of California; three actions each in the District of New Jersey and the Southern District of New York; two actions in the District of Minnesota; and one action each in the District of Arizona, the Western District of Arkansas, the Northern District of Ohio, the District of South Carolina, the Eastern District of Tennessee, and the District of Vermont. These actions will be treated as potential tag-along actions. See Rules 7.4 and 7.5, R.P.J.P.M.L., 199 F.R.D. 425, 435-36 (2001).

-2-

already pending in that district, and some defendants and some plaintiffs support centralization there.

IT IS THEREFORE ORDERED that, pursuant to 28 U.S.C. § 1407, the action pending in the Southern District of New York is transferred to the Northern District of California and, with the consent of that court, assigned to the Honorable Samuel Conti for coordinated or consolidated pretrial proceedings with the action pending there.

EXHIBIT 2

MARIO N. ALIOTO

Curriculum Vitae

Mr. Alioto is a graduate of the University of Santa Clara with a B.A. degree, cum laude, in Economics. He is also a graduate of the University of San Francisco School of Law with a J.D. degree, cum laude.

Upon graduation from law school, Mr. Alioto clerked for the late Honorable Ira I. Brown, Jr., Judge of the San Francisco Superior Court. Thereafter, he was employed in the Law Offices of Joseph L. Alioto working on complex litigation, primarily plaintiff's antitrust cases. Mr. Alioto is admitted to the State Bar of California, various Federal District Courts, various Courts of Appeal, and the Supreme Court of the United States.

Mr. Alioto worked with the Law Offices of Joseph L. Alioto for 10 years. He has continued to handle complex litigation and antitrust cases as well as unfair competition and consumer protection cases and class actions in state and federal courts throughout the country. Mr. Alioto has represented both plaintiffs and defendants in these cases. He has had extensive trial court and appellate court experience as well as experience in arbitration proceedings.

Mr. Alioto was one of the first lawyers in California to successfully prosecute indirect purchaser antitrust class actions under the Cartwright Act and the Unfair Competition Act. He was counsel in the landmark decision Crown Oil v. Superior Court, 177 Cal. App. 3d 604 (1986), which upheld the right of indirect purchasers to sue under the Cartwright Act after their claims had been barred under federal law by the decision in Illinois Brick v. Illinois, 431 U.S. 720 (1977). As a result of the Crown Oil decision, California consumers and businesses have recovered millions of dollars in relief which would otherwise have been barred under Illinois Brick.

In over 30 years of practice in this area, Mr. Alioto has handled approximately 50 antitrust cases. He has served in leadership roles in most of these cases and has been Lead or Liaison Counsel in many of them. This experience has enabled Mr. Alioto to prosecute these cases efficiently and achieve favorable settlements without unnecessary demands on judicial resources.

Mr. Alioto has handled these cases in collaboration with other law firms when circumstances warranted this, and has also demonstrated the ability to handle these cases effectively without the assistance of a consortium of other law firms. Mr. Alioto has been involved in a number of jury trials in state and federal court and has tried 2 cases to jury verdict as the lead lawyer. He has handled approximately 30 appeals as well.

Most recently, Mr. Alioto obtained relief of approximately \$50 million for California consumers on account of improper automobile repossession practices by two large finance companies. This result was obtained primarily by Mr. Alioto and his firm Trump, Alioto, Trump & Prescott, LLP, with the assistance of one other firm. In approving the settlement in that matter, the Honorable Daniel M. Hanlon (Ret.) noted that Trump, Alioto, Trump & Prescott, LLP had handled the litigation "effectively and efficiently" and that counsel was "experienced and competent" and had obtained an "excellent settlement."

Similarly, in granting class certification and appointing Trump, Alioto, Trump & Prescott, LLP Co-Lead Counsel for the class in the indirect purchaser OSB Antitrust Litigation, Case No. 06-00826-PSD, Judge Paul S. Diamond of the Eastern District of Pennsylvania stated that Trump, Alioto, Trump & Prescott, LLP "are experienced, class action litigators" and "have vigorously and capably prosecuted this extremely demanding case, and I am satisfied that they will continue to do so."

Below is a list of representative complex litigation cases Mr. Alioto has been and is currently involved in.

COMPLEX LITIGATION CASES

- 1) *In re Arizona Dairy Products Litigation*, Civil No. 74-569A PHX CAM (D. Ariz.) - antitrust price-fixing action brought on behalf of five classes of Arizona purchasers of dairy products.
- 2) *In re California Armored Cars Litigation*, MDL 387 - antitrust price-fixing action brought on behalf of private class of purchasers in California.
- 3) *Bolton v. A.R.A. Services, Inc., et al.*, Civil Action No. C-79-2156-SW (N.D. Cal. 1980), antitrust price-fixing action brought on behalf of purchasers of publications.

- 4) *Day N Night Market v. Roblin Industries, Inc., et al.*, Civil Action No. 772-241 - antitrust price-fixing case for class of indirect purchasers of shopping carts.
- 5) *Monterosso v. Cambridge-Lee Industries, Inc., et al.*, (S.F. Sup. Ct. 1983) - indirect-purchaser, antitrust class action by California purchasers of copper tubing.
- 6) *Scarpa v. American Savings & Loan Association, et al.*, (S.F. Sup. Ct. 1984) - Unfair Competition Act for fixing pre-payment and association fees.
- 7) *California Indirect-Purchaser Infant Formula Antitrust Litigation*, Judicial Council Coordination Proceeding No. 2557 (L.A. Sup. Ct.) - state-wide, Cartwright Act, class action for consumers who purchased infant formula.
